INTRODUCTION – A Short History of Israel (by Zola Levitt of Levitt Ministries, Levitt Newsletter, June 2012, pg 7)

- In recent years a myth has cropped up through Arab propaganda that “*Palestine was always an exclusively Arab country*” – BUT this revisionist approach defies the true history of Israel
 - ♦ Jews have constantly been in the land of Israel since the era of Joshua, though their numbers might have been small
 - ♦ In 1881 there were about 25,000 Jews
 - ♦ In 1922, there were some 83,000
 - ♦ Now, Israel has a population over 7M with more than 5M Jews
 - ♦ Prior to 1917 Turkey ruled the territory for 400 years
 - ♦ Palestine was never exclusively an Arab country. There was never an Arab or a Palestine/Arab nation. The Palestine Arabs never ruled the country or formed any social or political identity
 - ♦ The Arabs living in Palestine actually destroyed the land – being nomads with no loyal ties to the land
 - ♦ In 1917, the British issued the Balfour Declaration before the end of World War I, which favored “*the establishment in Palestine of a national home for the Jewish people...*”
 - ♦ In the 1920's T.E. Lawrence (aka Lawrence of Arabia) wrote of Palestine “*The sooner the Jews farm the land the better; their colonies are bright spots in the desert.*”
 - ♦ In 1931, a British report read: “*We found the land inhabited by Arabs in mud hovels...large areas were uncultivated...many Arabs were cattle thieves and harbored other criminals*”
 - ♦ King Emir Faisal of old Syria/Iraq (1921-1933) wrote “*The Arabs, especially the educated among us,...wish the Jews a hearty welcome home...our two movements complete one another*”
 - ♦ The Jews eventually reclaimed and irrigated the land; swamps were drained; millions of trees were planted; two to 5 crops were harvested off the same acreage each year
 - ♦ BUT before the end of the 1930s, there was conflict between Arabs & Jews that has evolved into what we see today

- These 10 chapters (Joshua 13-22) detail the dividing and settlement of the land of Israel

When it seems that God failed to keep a promise always assume the problem is with us not Him • vv14-17. Ephraim & Manasseh were 2nd to Judah for the amount of land they acquired, yet they still complained it wasn't large enough – so Joshua told them to get to work and clear the forested areas and go conquer the Canaanites <ul style="list-style-type: none"> ♦ Though God is on our side and is willing to fight our battles, yet we still need to be in the fight
18:1-28	<ul style="list-style-type: none"> • v1. Shiloh became a holy site for Israel until the Philistines captured the Ark during Eli's tenure • vv8-10.
