INTRODUCTION

- A benefit of expository teaching/preaching is you get to touch on all subjects found in the Bible
- A drawback of expository teaching/preaching is you get to touch on all subjects found in the Bible

Passage	Comments
Lev 17	Life of the Flesh is in the Bloodvv11-14
20,17	• Somehow God made it possible for a life to be
	an atonement for "souls" [05315 nephesh]. In
	other words one life (i.e., Christ) atones many
	lives through the shedding of HIS blood
Lev 18 &	Incest, Homosexuality, Bestiality are outlawed
20	• These 2 chapters are very specific with whom a
	man could not marry or have sex with – and, I
	would add these are universal & timeless laws.
	A man should not have as a wife or as a sexual
	partner the following:
	◆ Mother or step-mother; sister or half-sister
	◆ Daughter-in-law or grand-daughter
	◆ Aunt or aunt-in-law; sister-in-law
	• His wife's daughter, or wife's grand-
	daughters (2 nd marriage)
	His wife's sister (Jacob would be in trouble) His wife's sister (Jacob would be in trouble)
	His neighbor's wife (adultery forbidden)
	• Nor any male (homosexuality forbidden)
	• Nor any animal (bestiality forbidden)
	These sexual sins plus idolatry and child sacrifices prompted God to utterly wipe out the
	Amorites/Canaanites, Sodom & Gomorrah, and
	Noah's contemporariesv18:27-28
	Lev 18:19 – "You shall not approach a woman to
	uncover her nakedness during her menstrual impurity."
NT 4 4	(Note: This is within the context of an immoral/illegal
Note 1:	relationships) – But what's the punishment for this sin?
Sex and PMS	Lev 20:18 – "If a man lies with a menstruous woman
(Principle	thus both shall be cut off from among the people." (Note: Again, this is within the context of an immoral
of	and illegal relationship)
interpreting	Lev 15:24 – "If a husband lies with his wife while
doctrine within	she's in her menstrual impurity he shall be unclean 7
context)	days." (Note: This is within the context of ritual purity
	within a moral/legal relationship. So it was not a sin to
	have sex with a wife while she was on her cycle. It was to minimize transmittal of communicable diseases)
Note 2:	There is a concept that sins can accumulate and
Principle	some sins are worse than others based on their
of adding	severity of punishment (i.e., restitution vs. the death
sin onto	penalty), so having sex with an off limits woman is

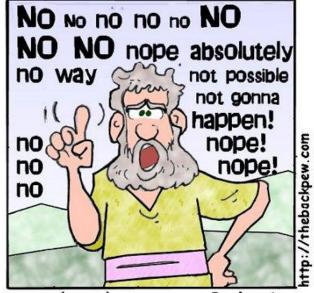

double jeopardy when she is on her period

Passage	Comments
	Recall that God would destroy the Amorites (i.e., the Canaanites, Hittites, Jebusites, Hivites, Perizzites, etc.) in the Promise Land once their sins of sexual
	debauchery, idolatry, and child sacrifices were completed
Lev 19	Be Holy for God is Holy – but HOW?
	• Respect Mom & Dad & keep the Sabbathv3
	• Stay true to serving God (no idolatry)vv4-8
	Take care of the poor & weak, and implement
	justicevv9-15
	• Love your neighbor as yourselfvv16-18
	• Treat your slaves fairly and justlyvv20-22
	• Treat the elderly with respectv32
	 Keep God's applicable commandments
Lev 21 &	Laws for Priests and for the Sacrifices
22	Tighter restrictions on the religious leaders for
	who they could and could not marry; how to
	dress; how to shave; and how to work
	 James 3:1 - My brethren, let not many of you
	become teachers/leaders, knowing that we shall receive a stricter judgment (more accountable)

CONCLUSION: Fortunately for many today sexual looseness does not provoke the death penalty. The Apostle Paul told the Corinthians that many of them were once such sinners, but the grace of God has cleansed them 1Cor 6:9-11

NEXT WEEK: Lev 23-27 – If Israel would obey God's commandments they would be blessed with prosperity beyond measure (no poor in the land, no sickness in the land and no crime in the land). If they do not obey they will be punished 7 times more for their sins until they repent

THE BACK PEW - Jeff LARSON

Moses (above) summarizes God's rules for sex in **Leviticus 18**. What seems obvious today had to be all spelled out to the Jews at that time.
