INTRODUCTION

- We skip 2Kings 1-20 so we can address issues pertaining to the sanctity of life found in 2Kings 21-23
- In these passages we see the ultimate breakdown of Jewish society as they succumb to sacrificing their children in the hopes their false gods would improve their living conditions
- In similar fashion, modern society also sacrifice their children to the god of convenience through abortion and neglect to hopefully improve their financial situation
- God judges more harshly when innocent victims such as children, widows and orphans are mistreated
- Why doesn't God stop child sacrifices after a few incidences instead of allowing millions of innocents to be killed?
- What can we do about the child sacrifices that are happening in our society? Should Christians be militant?

2Kings 21:1-18	<p>Manasseh Seduced them to do more evil...</p> <ul style="list-style-type: none"> • Manasseh had a god-fearing father (sort of), but having good parents, a great environment and living the good life didn't help him to be godly • Can people be made to sin? <ul style="list-style-type: none"> ♦ Satan 'deceived' Eve.....Gen 3:13 ♦ Manasseh 'seduced' Judah.....2Kings 21 ♦ The rich 'forced' the poor to take on debt and sell their children into slavery Neh 5:1-6 ♦ Husbands 'caused' their divorced wives to commit adulteryMat 5:32 ♦ BUT whenever we sin, we are culpable since God does provide a way to escape.. 1Cor 10:13 → in other words, there is no excuse • Manasseh, the most wicked king ever in Judah's history also reigned the longest (55 years) <ul style="list-style-type: none"> ♦ vv2,6,9. He did more evil than the abominations of the dispossessed nations <ul style="list-style-type: none"> • These sins included homosexuality, murder, idolatry, adultery, bestiality, child sacrifice – all of these sins are in America today! ♦ To Manasseh's credit he did seek God's mercy in his later years (after he was captured and tortured by the Assyrians) and tried to reverse the evil he had done .. 2Chr 33:10-18; Hos 5:15 ♦ God is patient and is not willing for any to perish – even the most wicked 2 Peter 3:9 • It is hard to imagine a society can slip into total evil and seek to slay its weakest members for fun or profit – and many societies are heading there today with abortion, euthanasia, suicide bombers

CONCLUSION/APPLICATIONS:

- We need to personally contend with the wicked – challenge them through reasoning, arguing, defending, but we are never commanded to be militant or physically combative
 - ♦ God only gave governments the responsibility to kill in order to protect society from evil doers
 - ♦ ...and God is ultimately responsible to take vengeance
