INTRODUCTION

- Revelations may be one of the most emblematic books of the Bible, but it is also quite revealing since it explains what most of its symbols mean.
- Get ready to get a glimpse of the throne room of God and witness the 7 seals of wrath being released on the earth.

Passage | Comments
---|---
Rev 4:1-11: Incomprehensible Scene of Shock and Awe | v4-15 If we were there with John our human senses would have been overwhelmed with the number of colors, the brightness of light, and very loud noises
- BUT focus is on God who was sitting on the Throne
- vv6-11 Around the Throne are 24 elders, 7 spirits of God, and 4 living creatures:
  - 24 Elders are men (or angels); possibly representing the 12 tribes of Israel & 12 for the NT Church age
  - 3 possible explanations for the 7 spirits:
    1. Symbolic of the Holy Spirit
    2. Seven angelic beings (i.e., seraphim / cherubim)
    3. Seven attributes of God as seen in Isaiah 11:2
- We would need several commentaries to explore who the 4 living creatures are
- More important than who they are is what they do
- God is worthy of continuous praise – & these beings, not robotically, but in a devoted way, fulfill that role

What Will Heaven Be Like?

- What is clear from Scripture is that we will NOT be sitting on a cloud strumming a harp, but we will be gainfully working for, ruling with, praising, and exploring God As Paul says, the eye hasn't seen or the heard heard what God has in store for those who love Him.........1Cor 2:9
- Ecclesiastes 9:10 says there is NO Activity or Planning or Knowledge or Wisdom in Hell (Sheol). THEREFORE, in Heaven we will be making short and long term plans, performing all kinds of productive and enjoyable activities, and growing in knowledge & wisdom in God

Jesus has Earned the Right to Start Final Judgment

- v4. John “wept and wept” – Does John get his tears wiped away?
- v8. God retains our precious prayers and sees them as a sweet smelling incense – something to be treasured
- v9. They (24 elders and 4 living creatures) “sang a new song” – Heaven will be a fresh place since new experiences will be enjoyed – Heaven won’t be boring
- Also, humans in their resurrected bodies (as seen with the elders) will do new things together with heavenly beings (i.e., with angels & living creatures) – There will be no class distinctions to worry about

NEXT WEEK:

Revelation 7-13. We will be introduced to the 144,000 and the greatest Revival of all time; the 7th Seal releases the 7 Trumpets of judgment; the 2 Witnesses; the Woman and the Dragon; and the 2 Beasts. who are the Anti-Christ and the False Prophet. This won’t be a 1-pager.
